

Support Companion Household Waiver

Reviewed by legal counsel

By requesting Support Companion services from South Central Kansas Mother Support Coalition, Inc. ("SCKMSC"), I acknowledge and agree to the following:

Consent to In-Home Visits

I consent to having a background-checked SCKMSC volunteer visit my home to provide companion support, which may include holding my baby, light household help, or simply being present. I understand I may end a visit or discontinue this service at any time, for any reason.

Release of Liability

I release and hold harmless SCKMSC, its board members, officers, and volunteers from any claims, injuries, or damages arising from a volunteer's presence in my home, except in cases of gross negligence or intentional misconduct on the part of the organization or its volunteer.

Home Safety

I confirm that, to the best of my knowledge, my home does not present any hazards that would be unreasonably unsafe for a visiting volunteer, and I agree to inform SCKMSC of any pets, safety concerns, or household circumstances a volunteer should know about in advance.

Right to Decline or End Services

I understand that SCKMSC volunteers may decline to enter a situation they feel is unsafe, and that either party may end this arrangement at any time.

Acknowledgment

I have read and understand this waiver and voluntarily agree to its terms.
